

Position: Occupational Therapists

Location: Sweden, Värmland

Regional administrative body Region Värmland's mission is to help all Värmland County residents enjoy a healthy, fulfilling life and to ensure that our region is both attractive and competitive. We employ a total of around 8,600 staff in our healthcare, dental care, regional development and public transportation divisions. Healthcare services is Region Värmland's largest division.

Working together with our patients, we strive to improve public health and local healthcare services, thereby promoting a world-class quality of life for the people of Värmland County. We operate 30 local healthcare centres that include maternity care and children's healthcare services as well as many other specialist clinics. Värmland County is also home to hospitals providing emergency care services, located in the cities of Arvika, Karlstad and Torsby.

Main responsibilities:

- Working as an occupational therapist for Region Värmland means freedom of choice, since we have many different workplaces to offer you. These include primary care institutions, facilitation services and hospitals.
- You can also work in a team, in group therapy settings or with individual treatment.
- You will be entrusted with a large degree of personal responsibility.
- Your aim is to provide your patients with the tools they need to enjoy a well-functioning day-to-day life.

Required profile:

- License as an occupational therapist.
- Professional experience is meritorious.
- Driving license.

The company offers:

- Mentoring or professional guidance from an experienced colleague
- Opportunities to promote progress in your field
- Regular opportunities for professional development
- Workplaces that support good health, and a health allowance payment.
- Support in learning Swedish & in relocation to Sweden.
- We can help you and your family get in contact with housing providers, employment agencies, schools, childcare services and more via the Ny i Värmland company.
