

Positions: IT Engineers

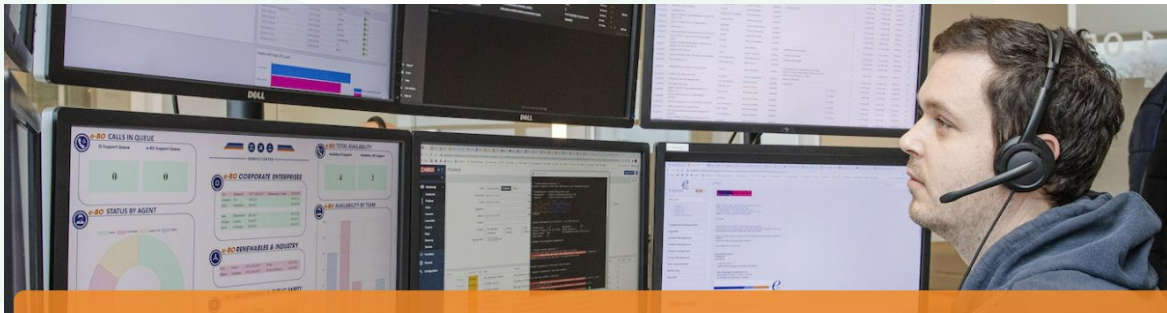

Location: Belgium

At e-BO Enterprises, this means working for international clients with a high social value, such as the fire brigade or offshore wind farms.

Boost your IT career in Belgium!

The company is looking for 3 **profiles** to join its team, with VDAB / EURES Flanders & IEFP / EURES Portugal support:

-  [System Engineer](#)
-  [System Engineer at Belgian Coast](#)
-  [System Engineer Offshore](#)

The company offers:

We offer an open-ended contract, but the options are up to you:

- 1) you go all the way and come to live and work in Belgium;
- 2) you come to Belgium for 6 to 12 months to really get to know the job content, the colleagues and the customer environment. Afterwards, you go back to Portugal and continue your job remotely;
- 3) you work entirely remotely from Portugal.

A full-time job with competitive salary package (range between 2100 and 3000 euros) according to your experience)

How to apply: please send us your CV by email to filip.leroy@ebo-enterprises.com with copy to euresPToutgoing@iefp.pt (a/c Carmen Lopes)

Applicants must be entitled to the Free Movement Right regarding to employment in the European Union

Please submit your application as soon as possible.
Last application date is February 1st , 2024.

EURES mobility supports may be available if you apply to this vacancy. Please check www.iefp.pt/eures
